

## Problem? Computers? Frustration!

So, what do you want to do with it? Throw it out the window?

It maybe just a bit of dust on one of the contacts, then again, it may be just old!

For just £30 for the first hour, then £20 ph thereafter, we will sort the system out for you.

With full advice on what to do for the future. If I do not think it is worth fixing,

I will tell you, and that will be free.

(If it cannot be fixed within one hour, you have a big problem).

**Running slow,**

**Just need an upgrade?**

We have a well-proven track record which started in 1988.

I have contracted for some of the UK leading companies.

Now semi retired I have the time to help the home user, student or other.

We cover the University and Southampton area.
